Our Town

By Peggy Blanchard

Unbeknownst to each other, two Vernes scrambled their professions Tuesday as the Harley Poor's house burned. Verne Ed Allen, photographer, was sitting quietly in the movies, didn't hear the fire sirens. Verne Balcom, theater manager, stationed near the front door of the movie house, followed the fire department to the scene, snatched two dandy pictures of the fire with his brand new Speed Graphic, and was back on his own job before the flicker changed!

Mrs. Anthony Bargas of 80 Alice avenue gave her twelfth pint of blood recently to the Campbell blood bank. Hers is the rare (I'm told) blood type O-negative. Walter Sutton of Hamilton avenue has the same type blood, just gave a pint to the blood bank on Tuesday. And Mary Gordon, who was a record donor during the war, has re-volunteered to aid the local Red Cross chapter in this life-saving work.

Still another new building reported in progress hereabouts is the structure begun Tuesday next to the What Not. It's slated to house a package-ice creamery—mmmm yummm.

Our scouts haven't found out who's to occupy those pretty pink and cream-colored shops on E. Campbell near Page street, though.

It's a toss-up who was happier, the hosts or the company Tuesday afternoon as third-graders of Mrs. Ellen Ingram's class at Campbell Grammar School entertained their mothers at an ice cream and cake party. There were gifts, too—the boys each made a lovely write-a-note pad for hanging by front doors and the girls made plant-holders for their mothers. The presents were a sort of open secret for weeks ahead of time—one parent confided that she hadn't dared sweep under junior's bed for 10 days—seems he lugged his handiwork home at night to be sure it was in safe keeping for the big day!

More than 500 parents braved last Thursday's rainstorm and stepped out to parent's night for Public Schools Week at Campbell Union High. The refreshment committee ran out of food and altogether it was a highly successful doings.

Poppy Sale Set For May 21

"A poppy on every coat—remembrance in every heart," will be the goal of the American Legion Auxiliary for the annual observance of Poppy Day in Campbell, Friday, May 21.

Poppies will be offered throughout the city all day so that everyone will have the opportunity to honor the war dead by wearing the memorial flower.

All Poppy Day workers will give their time without pay. Contributions made for the poppies will go to the rehabilitation and child welfare funds of the Legion and Auxiliary, to be used for the benefit of disabled war veterans and needy children of veterans during the coming year. These contributions form a large part of the money expended by the Legion and Auxiliary in their vast rehabilitation and welfare work.

The poppies which the Auxiliary will distribute have been made by disabled veterans at Palo Alto Veterans' Hospital. They are crepe paper replicas of the famous wild poppies of France and Belgium which bloomed on the battlefields and cemeteries of both world wars, and which have been the symbol of remembrance for the dead ever since the first World War. Thousands of disabled men and women, unable to do other work, have been given employment making poppies for the Auxiliary this year.

"We all should be highly grateful to them for bringing us this opportunity to honor the dead and aid the wars' living victims," the Legion poppy chairman said in announcing the sale dates.

Appeal for Blood Bank Donors Here

The local Blood Bank, one of the first half dozen of its kind in the United States, will take the blood which is donated by residents of the area, properly care for it as whole blood or process it into plasma, and return both whole blood and plasma without charge to all residents of the area who need it.

Blood is now taken at the Center, 440 North First Street, four times a week at the following hours: Tuesday, 9 a.m. to noon; Thursday, 9 a.m. to noon; Wednesday, 2 p.m. to 5 p.m.; Friday, 5:30 p.m. to 8:30 p.m.

The plan is to make it as convenient as possible for all persons to donate blood.

Campbell organizations and business firms are being contacted with the request that a Blood Bank Chairman be selected, who in turn will work with Campbell's Community Blood Bank Chairman, Mrs. Merle Gardner. As each organization accepts participation in the Community Bank, the members will receive "Participating" or "Supporting" membership cards, depending in each case whether the member can or cannot contribute blood. Those who are physically unable to give blood are asked to support and assist the program in every possible way.

A new building to house the laboratory and all other units of a complete blood center is to be built immediately on the Red Cross property at the rear of the present Chapter House.

The great benefits of blood, not only for emergency accidents and surgery cases, but for better health of the community is now being recognized throughout the world. The last war emphasized the tremendous value of blood. Records now show that 97.3 per cent of the wounded survived, and the availability of blood was the major factor in this low mortality rate.

Through research, rapidly increasing uses are being found for blood and blood derivatives in the treatment of various diseases.

An equally important factor in the National Blood Bank program is the providing of an adequate supply of blood in case of disaster or national emergency.

It cannot be emphasized too strongly, said Mrs. Clarence Fagade of the local chapter, that the Santa Clara Valley Blood Bank belongs to this community, and that the Medical Society and Red Cross, in this joint operation, are the only agents through which blood is taken from the people of this area and returned without charge. In other words, to all groups in this community this is your project and its success depends in a large measure upon you.

Found Guilty of Burglary Here

Convicted Monday on a charge of burglarizing the Fred Jones Service Station more than a year ago, were Salvatore Tomasello and his wife Jean, of San Jose.

The couple was convicted of second degree burglary by a jury in Superior Judge William F. James' court Monday. The complaint was signed by Deputy Sheriff John Perusina.

Sutter's Fort, Mill Topped by Great Seal, Commemorate Gold Discovery

A three dimensional replica of the Great Seal of California, towering over 13 feet in height, will dominate two gigantic floats now being constructed by the California Centennial Commission for use in observances of the State's one-hundredth birthday.

The identical floats, expected to be completed by July 1, will be available for participation in various civic commemorative parades. One float will be assigned to the northern part of the State, the other to Southern California.

Symbolizing California's "Gold Era," the gold and bronze colored floats depicting miniature replicas of Sutter's Fort and Sutter's Mill, will feature groups of figures representing miners of all types and nationalities present in California during the gold rush.

The trailer floats will be 31 feet in length and eight feet wide. They will be drawn by specially constructed jeeps equipped with public address units. To insure the safety of the floats, the structural sections will be constructed of metal and hardwood.

Authorization for this project, as a part of its three-year program, was given by the State centennial commission at a recent meeting.

The floats have been designed by William Sanford and Al Violante of San Francisco. The figures will be sculptured by Al Debon, formerly sculpturer for the Belgium Opera and the San Francisco Opera Association.

Cancer Fund Enriched by Store

The American Cancer Society fund was enriched by a sizeable amount of money from the proceeds of an auction held last Saturday at the J. and A. Market.

Among the items auctioned was a 40-pound pig, which had been "ballyhooed" as Baby Boots. Bidding started slowly on the porker, who let out a terrific squeal at the first offering of fifty cents. When the bidding livened and the price reached twenty-five dollars Porky Pig's satisfying grunt closed the deal.

Other items auctioned by brothers Joe and Al included several boxes of groceries and a number of albums of phonograph records.

Re-Enlists In U. S. Navy

Daniel DeLa Cruz, husband of Mrs. Carmen DeLa Cruz of Rte. 1, Box 143-V, Campbell, has re-enlisted in the U. S. Navy as a seaman first class.

Daniel is now at Yeurba Buena Island in the San Francisco Bay where he will be issued a new issue of clothing, be reassigned to a ship in the U. S. Navy, and continue with his Naval service.

Local Boy Joins Navy

Robert Knowles, son of the James W. Knowles of 140 W. Rincon avenue, Campbell, enlisted in the Navy April 23 for three years. Robert graduated from the Campbell High School and played tennis, football and basketball while attending Campbell high school.

Robert's father is a well known poultryman.

Community Chest

The Community Chest will meet at 8 p.m. Thursday, May 13, in the High School Little Theater, Ray Fish, chairman, announced today.

The public is invited to attend the meeting, at which plans for the fall campaign will be formulated. Volunteers for work of the Chest are needed, Mr. Fish said.

Seek Lost Jacket

Einar Neilsen, who will wear a leg cast for a year as the result of a fall near Campbell Grammar School, is still looking for his favorite jacket.

It was left near the bicycle rack at school on the day of the accident and has not been seen since. Near the zipper lining is his name—spelled "Inar."

Einar's parents, Mr. and Mrs. Hans Neilsen, offer a \$5 reward for its return—no questions asked. The jacket may be returned either to his home, No. Central avenue, or to the Grammar School office.

Primary Registrations Here Total 2376

More than 2300 voters are registered for the June primary election in Campbell's seven precincts.

Official count from the registration office of Santa Clara county this morning lists 2376 registrations.

Democrats in the district have a slight edge in numbers with 1116 voters on record.

Republicans registered total 1105; 39 registrants declined to state party affiliation and other parties represented on the ballot are Prohibition Party, 6; Socialist, 1; Townsend, 2; Independent Progress Party, 3, and Communist, 1.

Three elections will follow each other in rapid succession late this month. School Board Trustees in the local districts will be named May 21. Balloting on the incorporation of Campbell and for city clerk, treasurer and five councilmen for the proposed City of the Sixth class will be held May 25.

The General Primary Election will be held June 1. Registration totals given are for the Primary, J. E. Witherspoon, Registration Department Head for the County, pointed out.

SECNAV'S -- FIRST AND PRESENT

Benjamin Stoddart (right) became the first Secretary of the Navy on June 13, 1798 following the formation of the Navy Department on April 30 of that year under President John Adams. Stoddart served until 1801. Today the Secretary of the most powerful Navy in the world's history is John L. Sullivan (left), who was sworn in to succeed James V. Forrestal when the latter became the nation's first Secretary of Defense. The photo of Stoddart is that of a portrait painted by E. F. Andrews. (Official Navy Photograph)

Attorney Explains Income Sources for Proposed Incorporated City of Campbell

Renzel Describes Bogota Revolt For Kiwanis

First-hand, "inside" information on the revolution at Bogota during the International conference was relayed to Campbell Kiwanis club members Tuesday at a luncheon in Country Woman's Club-house.

Ernie Renzel of San Jose told of his experiences on a recent trip to the South American capital. He was introduced by Carl Field, chairman.

Visitors were from San Jose, Richmond and Campbell. April attendance for the club was 100 per cent, it was reported.

Campbell Kiwanis club will meet Wednesday, May 12, instead of on Tuesday, in order to hold a joint session with the Mountain View club in the latter city.

Fifty Year Pin To G. S. Robson

There's a new twinkle in the eye of G. S. Robson these last few days. And the spring in his step belies his years. A casual chat with him on the street to other day disclosed a very valid reason. Mr. Robson pointed with unabashed pride to a gold Masonic pin on his lapel signifying 50 years of service in the Masonic Lodge. He was one of the organizers and first members of Charity Lodge, joining in Campbell in 1904. Mr. Robson has been a Campbell resident since 1901.

CANDIDATES ARE INTRODUCED AT CHAMBER OF COMMERCE DINNER

Forty-five members and guests of Campbell Chamber of Commerce listened with keen interest to an hour-long talk on incorporation by Attorney Richard Morton at the dinner meeting Wednesday night.

Mr. Morton's talk, presented in a vein of complete impartiality, was well received and was followed by questions from the audience. Morton did not attempt to state actual tax figures or expenses of running a new city. But he did in general give approximations based on known facts of present costs.

He stated that the re-assessing going on at the present time might alter the expected income upward. He further stated that income to the city, if incorporated, from subventions would be an important source of revenue.

When asked about the costs of city functions, such as police protection, street, sidewalk, curb work, etc., Morton answered simply that it was strictly up to the men elected to the council to spend the city money in the way they deemed best. He pointed out that it was up to the people to elect men who would operate the town in a business-like manner exactly the same as they would their own private businesses.

Morton further said that he had spent all of Wednesday afternoon in consultation with John Lynch who prepared the original Lynch report, basis of city organization. The Lynch report delves into costs and taxes and summarizes factors of the problems involved in incorporating. His report provides a workable plan for the organization of the city. Mr. Lynch was for many years city clerk of San Jose and recently city manager of San Jose.

Short talks were made by candidates Howard, Jensen, Buck, Brand, Brydon and D. H. Cramer. Gist of the speaker's remarks was that more thought must be given to the future of the community and to planning for an increased population. It was pointed out by both Mr. Howard and Mr. Brydon that it was imperative that thought be given now to youth welfare and to recreational facilities. Both men have been strong civic boosters and are well acquainted with the present problems of the community. A round of applause followed each speaker's remarks from the appreciative audience.

Several interested guests were present at the meeting. Mark Thomas, engineering consultant was introduced by Ira Grim, past president of the Chamber. Mr. Thomas did the drafting work on the new map of Campbell. He made no charge for his work to either the Chamber of Commerce or the community.

Announcement was made of a town mass meeting to be held at the High School Auditorium on the night of Friday, May 21. Herbert A. Olson, a representative of Public Administration Service of San Francisco will be guest speaker. The meeting is to be open for discussion of town problems. All are invited.

Jeffers in New Store; Open Today

The ever-changing face of Campbell presents a bright new front this week with the formal opening of Jeffers' Men's Store on the corner of Campbell and Central avenues.

The new store, remodelled from the old Bank of Campbell building, is a distinct asset to the appearance of the main part of Campbell avenue. Long vacant the building was becoming known as a "hitching post" for the gentlemen of leisure about town.

Now that is all changed. A bright new, full vision glass front has been installed, the "swinging in" door is completely of glass about three quarters of an inch thick, all new ultra modern lighting has been installed, new display counters and shelving mark the interior decor.

Mr. Jeffers has been associated with Lowell Benson, in the firm of Benson and Jeffers for some time. They also operated the Campbell Cleaners. Both businesses grew to such an extent that each department needed considerably more room. As a consequence the men agreed to divide the business and each take the part he had been working at. Now the Campbell Cleaners, with all new cleaning equipment occupy the entire facilities in the Post Office building formerly used by both men, and Mr. Jeffers took the new location on the corner.

Fire Destroys Local Home

Fire razed the home of Mr. and Mrs. Harley Poor, Second street, Tuesday night, despite efforts of the Campbell Fire Department to combat the flames.

The three Harley children were carried to safety by their father, who discovered the blaze.

Only an empty shell remains of the Poor home, valued at some \$5000. Some bedroom furniture and occasional pieces were saved, including a refrigerator.

A guest house at the rear of the lot was unharmed.

Chorus Entertains Rotarians

Campbell Rotary Club played host at last Monday's luncheon meeting to Frank Triena and his Campbell High School choral group. Fifty-five young students joined in song in entertaining the Rotarians. Enthusiastic response greeted the group at the conclusion of each of their difficult numbers.

Mr. Triena has done a remarkably fine job in training the students in choral singing. The entire group will go to the music festival of Northern California to be held at Fremont High School in San Francisco next Saturday. Campbell may well be proud of this talented and delightful aggregation representing their local high school.

Kitchen Tour Slated by Group

Three of Campbell's model kitchens will be visited by women of the Agricultural Extension Service group Friday, May 14.

Potluck luncheon in the home of Mrs. H. H. Busack, Burrows road, will bring the novel tour to a close.

The first kitchen to be visited is that of Mrs. N. A. Cowdery, 80 N. Second street. Inspection of kitchens in Mrs. J. W. Knowles' home, 140 W. Rincon, and Mrs. Busack's home will precede the luncheon.

The tour will begin at 10 a.m., May 14, at First Methodist church, where a nursery for small children will be provided. Transportation has been arranged and all interested women are invited, officers of the extension group announce.

Jobs Daughters Initiate Six

Bethel 174 International Order of Jobs Daughters exemplified their initiatory work for the OES parents and friends Monday, May 3, under the guidance of Mrs. Virginia Currie, guardian, and Frank Combs, associate guardian.

Margaret Andrews, honored queen, and her staff of officers presided at the initiation for six new members, Joann Bush, Ariel Hoover, Judith Thrash, Frances Ehler, Joan Schraeder and Dorothy Glick.

During the evening Katharine Fuller gave a flute solo and Ruth Emily and Irene Carroll gave vocal numbers.

Refreshments were served by OES members.

The next meeting of Jobs Daughters will be May 8 in Campbell, starting with a dinner at 6:30 given by Patricia Ralston, senior princess, and her mother. The proceeds of the dinner will be used for the installation in June.

FORUM

Editor of "The Campbell Press"

Dear Sir:—

I would like some information on what is property tax money used for. York avenue, Campbell, just one block long, is a dirt road and is in terrible shape. All the property owners (22 of them) on this street (or avenue) have signed a petition and I presented it to the honorable board of supervisors to have it resurfaced. All ex-

pressed, their willingness to give as much property as is necessary and all we get is a run around. In the meantime, you almost wreck your car getting into the street. We don't seem to rate even a load of gravel to fill in the holes. I know Campbell also has growing pains like most towns in this county but it would seem that we should get at least a little grading so we could get in and out without busting a tire or an axle. And in the meantime property may change owners and not be

willing to give as much land as is required. Must we all suffer for that? Couldn't we get at least a load of gravel to fill in the worst holes? Most of these people are veterans or had sons and daughters in the service even as you and I. Should they not get a little consideration? We all pay tax.

Yours Truly,
ROBERT WURFER, SR.

GRANGE NEWS

Orchard City Grange No. 333 had pot luck dinner on April 27 at the IOOF banquet hall. After dinner all members went up to the meeting hall where Grange Master Herbert Shadle presented the speaker of the evening, Mr. Don Reineohl, sanitation engineer, who explained the Hyde Sullivan plan in great detail. The lecturer, Mrs. Nellie Rutherford, presented Miss Katharine Fuller, senior high school student, who played a beau-

tiful piece on the flute. Mrs. Ida Scow, San Jose Grange master, invited the Grange to their next meeting May 3, in San Jose when the third and fourth degrees will be conferred on a number of new members. Lecturer promises a very interesting program for our next meeting, May 11.

Four new members have been accepted into Orchard City Grange and have been obligated at San Jose Grange. They are Mr. Klingler, Mrs. Helmbold, Mrs. Stojanovich and Mr. Brandt.

U.N. Facts and Faces VENEZUELA

The birthplace of Simon Bolivar—the great hero and liberator of much of Latin America—Venezuela is the northernmost country of South America. In the modern world, Venezuela has great importance as a first-ranking producer of petroleum. Coffee, cacao, sugar, coconuts and cotton from steamy tropics to that of lofty mountains. Agriculture furnishes a livelihood for most of Venezuela's 4,300,000 people, who live on some 352,000 square miles of land. Venezuela is represented at United Nations headquarters by Ambassador Carlos Eduardo Stolk. Venezuela's flag has horizontal gold, blue and red stripes and a semicircular row of seven white stars in the center.

State Parks Hang Out Welcome Sign

Park Rangers of California's extensive State Park System soon will be ready to hang out the "welcome" sign to an anticipated record-breaking number of visitors for the 1948 vacation season.

Camping in major parks and beaches of the California Park System during peak summer periods will be restricted to two weeks.

A. E. Henning, chief of the State Division of Beaches and Parks, announced the new policy today, stating that it has been made necessary by the tremendous increase in volume of attendance at State parks.

"State parks and beaches are

recreational areas for the enjoyment of the greatest possible number," he said, "and to accommodate the greatest possible number in the more popular parks, it will be necessary to establish these time limits for camping.

Henning added that park rang-

ers have been instructed, hereafter, to deny further admissions for camping when park facilities have reached the saturation point.

Alfalfa was introduced into California by 1851 as "chilean clover."

Northern Defenses Asked by Anderson

Congressman Jack Z. Anderson, representative from this district and a ranking member of the Armed Forces Committee of the House is pressing for more adequate Army defenses in Alaska, as a result of recent Committee hearings featuring the testimony of General Omar Bradley, Army Chief of Staff.

In a letter to General Bradley, Anderson expressed the concern of Pacific Coast residents with the fact that there were no actual combat troops to man defenses in the North. Taking issue with Bradley's statement that lack of housing would prevent a peacetime garrison in Alaska, Anderson declared, "I cannot believe you wish to leave the impression that Alaska is not being properly manned simply because of a lack of adequate housing facilities."

"Because Congress is being asked to expand every branch of the armed forces, I am sure you can count on the Congress to co-operate with the Department of the Army in doing whatever is

CUGS Parents, Teachers Meet

Members of the Campbell Grammar School PTA met Tuesday in the school auditorium under the direction of Mrs. J. R. Longfellow, president.

A short skit was presented by the third grade pupils of Mrs. Ellen Ingram's class and members of the choir sang, directed by Mrs. Dorothy Wilkenson.

After the business session, refreshments were served by Home Economic pupils supervised by Mrs. Genevieve Phillips.

"A poppy on every coat—remembrance in every heart," is the goal of Campbell American Legion Auxiliary on Poppy Day in Campbell, Friday, May 21.

Anderson who served on the House Naval Affairs Committee before merger of the armed forces, traveled the defenses of the Pacific during the war.

LEGAL NOTICES

NOTICE OF ELECTION

NOTICE IS HEREBY GIVEN that a special election is hereby called and ordered to be held on the 25th day of May, 1948, within the territory hereinafter described for the purpose of submitting to the qualified electors therein the proposition of determining whether or not said territory shall be incorporated as a municipal corporation of the sixth class, under the name and style of "City of Campbell," pursuant to the provisions of an act of the Legislature entitled, "An Act to Provide for the Organization, Incorporation and Government of Municipal Corporations, commonly known as the Municipal Corporation Bill of 1883, and Amendments thereto".

The boundaries of said proposed City are hereinafter particularly described.

The name of such proposed corporation is "CITY OF CAMPBELL," and the number of inhabitants ascertained by the Board of Supervisors of the County of Santa Clara to reside therein is 3,000, as near as may be ascertained.

The special election hereby called and ordered to be held shall be held and conducted and the votes thereon received and canvassed, and the returns thereof ascertained, determined and declared, in accordance with the provisions of said Act and with the

general election laws of the State, except that the nomination of officers shall be done in accordance with the law applicable to the nomination of officers of cities of the sixth class.

The ballots to be used at said special election shall be such as may be required to be used thereat, and in addition to any other matter required by law to be printed thereon, there shall appear the following:

"FOR INCORPORATION ()
AGAINST

Quick picture of America's biggest power-building program

In three and a half short years...between now and the end of 1951...P. G. and E. will add nearly two million horsepower in generating capacity. To help you understand how big this program really is, here are some comparisons.

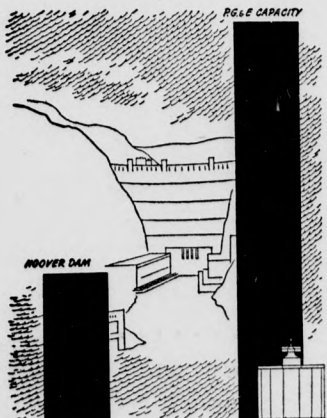

More power than was needed to meet all the pre-war requirements of Northern and Central California will be added.

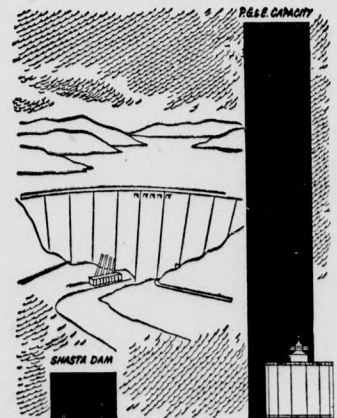

The program is creating jobs for thousands of men. The estimated peak work force will exceed 6,000.

It's the biggest program of any electrical utility in America today, costing more than \$400,000,000. It is now proceeding at more than \$10,000,000 a month.

Added to previous totals, the new power will give P. G. and E. a generating capacity about three times that of Hoover Dam.

Or 8 times greater than Shasta Dam. This program, now in its third year, is going full speed ahead!

New Plant Schedule

It takes time to build power plants...more than three years to build a steam generating plant. Like everyone, we were delayed by wartime restrictions and postwar building problems. Some of the orders for equipment have been held up many months. But, we're making steady progress now. Here's a schedule of major new plants and completion dates, which will be met unless there are further unforeseen delays.

PLANT	CAPACITY	COMPLETION DATE
Kern Steam—First Unit	101,000 horsepower	Spring 1948
Electra Hydro	133,000 "	Summer 1948
Station "P" Steam	298,000 "	Winter 1948
West Point Hydro	21,000 "	Winter 1948
Colgate Hydro	40,000 "	Summer 1949
Cresta Hydro	101,000 "	Winter 1949
Kern Steam—Second Unit	134,000 "	Spring 1950
Rock Creek Hydro	169,000 "	Summer 1950
One Steam Unit	150,000 "	Summer 1950
Five Steam Units	150,000 " each	Year 1951
